SMOKE TREE LODGE RESORT, N.C.

On a recent trip to the beautiful North Carolina Mountains, we stayed at the Smoketree Lodge Resort for **HALF PRICE**. This quality resort is part of the Vacation Resorts International and RCI Resorts Alliance. Using our International Travel Card , my family of 4 stayed in a fully furnished condo for **only \$32.50 per night!**

We had a full kitchen (dishes, silverware, linens, pots & pans, coffeemaker, microwave, full refrigerator, stove), a private bedroom, a full size sofa-bed in the living room for the kids, 2 TVs, and a dining room area. Our children especially enjoyed the large heated indoor pool and my husband and I spent a lot of time in the Jacuzzi. They also had a sauna, exercise room, picnic area with grills, and a huge game room. The lobby was very cozy with a large fireplace, sofas, hot coffee, and lots of magazines & puzzles to enjoy. You could check out games to play or rent a VCR and movies. The 1st night we were there they had a special "Easter Egg Dying" party for all the children.

We were just minutes from Grandfather Mountain where we crossed the "Mile High Swinging Bridge". We enjoyed hiking on several trails, exploring and climbing on the huge river rocks, having picnics and stopping to take in the breathtaking views off the Blue Ridge Parkway. One day we rented horses and rode to the top of a mountain where we could see into 3 states at the same time (North Carolina, Virginia and Tennessee). Although we didn't ski this trip, there are several ski slopes within minutes of our condo.

We had a **WONDERFUL** time and plan to visit again. Many people have spent thousands of dollars to purchase a time-share at the Smoketree Lodge for one week a year. It's nice to know that with our Coastal Vacations Membership, we can stay at the very same condo and save so much money!! **THANKS COASTAL!!**

Kathy

Smoketree Lodge offers a choice of accommodations such as: studios, one and two bedrooms, complete with kitchenettes. Laundry facilities are available on site. We feature efficiency units for two...One Bedroom for up to four people...and the Two Bedroom units will comfortably accommodate up to six people. We provide Cable TV, and In-room movies...and the kids will really enjoy the gameroom.

Overview >

Regular prices

Upon arrival, we checked into our motel, The Gatlinburg Town Square. Check-in was a breeze. The room was nicely appointed. It was quite large, with a kitchenette, which included a sink, microwave, refrigerator, coffee maker, and dinette set. There was a separate vanity/make-up area, apart from the bathroom and shower. But the best part.... A fireplace!

Okay, okay... so it's July... but use your imagination. We turned up the air conditioning until it was quite chilly and then lit the fireplace! All-in-all... a very nice room.

The rest of Friday, Saturday, and Sunday we enjoyed the area. Again lots of great restaurants, way too many gift shops (ouch! My wallet!) and beautiful mountains only a couple miles away.

Now the important stuff. Gatlinburg, Tennessee. **Our cost of lodging ~ \$22.00 for room taxes. That's it!** The accommodations were free as they were included in the Coastal package. The rack rate on our room was \$109 per night. The taxes you would have to pay regardless, so **our savings was \$218** for the two nights in Gatlinburg.

Our only expense... food, gasoline, AND those gift shops! At least, we did not have to pay for the room. ANOTHER GREAT COASTAL DEAL!!!

Thanks to Coastal!

**We just saved over \$800
on a 4-Bedroom Executive Home in the
new High Grove subdivision - just 10
short minutes from Disney World!**

There was plenty of room for all 4 adults and 8 kids. When we first arrived, we realized that we had forgotten a few baby items, and as we started looking around the house, we found out that they already had them ready for us! A portable crib, a high chair, a baby gate... everything we needed... and we didn't even ask for these things.

The other houses we found on the internet were all over \$2,300 for the same 10 days. But through Coastal we were able to get it for only \$1,513.79 with the taxes and pool heat already included!

\$800 is a lot of money to save all at once... this one trip almost paid for our whole lifetime membership with Coastal! That left us with lots of extra money to spend on food and entertainment.

Thanks Coastal!

Thank you for booking at Holiday Systems International.	

Regular prices (even during the "value season") would have cost us over \$945 plus taxes.

Through our Coastal membership, we got the entire 8-day 7-night stay for just \$122!! That included our taxes and everything!

That's a savings of more than \$823 on 1 single trip we booked through our package. It was totally worth it!

Best price we could find online for 4 nights - \$320.00 plus additional taxes.

But we paid a total of only \$18.80, including taxes.

We saved at least \$300 with our Coastal membership!

We saved over \$1000 on an beautiful Executive Home through our Coastal vacations membership package

We were looking for a large home to house a whole group of people, and had been looking all over the internet for weeks. The closest thing we could find to meet our needs was over \$2000 for a 7 night stay during March. I guess trying to book it during Spring Break made it even harder for us to find something. We were running out of time to find accommodations for our trip.

We called the number in our Coastal package and immediately found this beautiful executive home that was just perfect for our needs. Not only was it available (with less than 30 days notice, by the way), but the cost for the whole 7 night stay was only \$995 plus taxes.

So we ended up saving over \$1000 and even getting to book it last minute! This one trip almost paid our whole investment back with our travel package. I would definitely recommend the Coastal membership to anyone who wants to save some serious money on their vacations.

I only had a couple of weeks to plan a quick trip to Gatlinburg TN in March of 2005. We stayed in a nice 2 bed/2 full bath fully equipped condo unit only minutes from downtown. We were within walking distance of Ripley's Aquarium of the Smokies and all the other sites.

Even though this trip did not have a lot of planning time, we were still saved 50% on our condo. It doesn't take many trips like this to pay for the price of your travel package. Next time I'll plan ahead 60 days, use one of my bonus vacations, and get to stay for just taxes only!!

This travel package really works. I've got some relatives coming to town to visit. I live in a small rural town so there is not a big hotel selection and with only 10 days to book rooms I was not sure I could save any money for them.

I got out my directories and 3 of the 4 decent hotels in town were in there. We chose Days Inn and saved over 30%.

In about 90 days time, with no major vacations of my own, I have saved family members about \$300. My package is quickly paying for itself!

My Savings through our Coastal Membership

Last year we went to Orlando, Florida. We used our Coastal travel package to compare prices and see what kinds of deals we could get. I needed airfare from here to Florida, as well as a rental car once I was there. I went online and checked out prices, and here's what I found....

I needed a rental car. I checked prices online, and then compared my Coastal discounts... I saved \$70 off my 5 day car rental!

The airfare online was about \$336 per person. So with both of us going, that would be about \$672. I called the back of my Coastal Travel card and they got me a flight for the same day for only \$136 per person. That's a savings of \$200 for each of us! Here's a copy of our receipt:

So I saved a total of \$270 on this one trip by using my membership cards from my Coastal package. It's great to have the resources to be able to get these kinds of deals every time we travel. I'm glad to be a member of Coastal.

For Our Fallen Soldiers in Iraq

02/18/05

My name is John K., I am a new associate on-board the Coastal Vacation membership team, donated 6 individual coastal vacations to the “Seven Brothers Fund” in East Islip, NY, to ease the financial burden on 4 fatherless families and 3 other wounded heroes families.

The Seven Brothers Fund raised over \$60,000 at the event.

As a Vietman veteran, I don't remember people supporting our troops back than like they do today. Being part of the coastal membership team, enabled me to offer support to the fallen soldiers' families, make a difference in changing the past and contribute to providing some comfort.
